To Our Customers:

Soft goods play a pivotal role in the interior design of today's hotel guestrooms. From the moment the door is opened until the lights are turned out, the design, color and texture of quality soft goods help impact the initial impression and set the tone for the overall hotel experience for guests.

Since 1986, FABTEX has been turning creative vision into reality, designing and fabricating stylish bed coverings and window treatments for hotels worldwide. FABTEX fabrics and finished products reflect the latest hospitality design trends, enabling hotel owners and interior designers to create the look and experience preferred by today's sophisticated travelers.

As hospitality industry specialists, FABTEX understands the unique challenges and needs of hotels. Our team members are involved in every stage of the process, from measuring and design to fabrication, delivery and installation. Our 3 full-service production facilities, strategically located across the U.S., enable FABTEX to efficiently fabricate, ship and install finished products worldwide.

From our knowledgeable team members and specialized equipment, to our proprietary Project Tracker software, FABTEX is dedicated to making the selection and production of soft goods simple, efficient and economical for our customers.
