Quartet Bedding by Fabtex™

Tastefully reintroduce color into the guestroom with richly textured 100% polyester fabrics in a mixable palette of 4 patterns in 6 colors each. Moving beyond the “white bed” that is a challenge to maintain, this collection utilizes a broad selection of colors and textures to craft stylish bedding ensembles.

ABOUT FABTEX

Fabtex is a leading fabricator of hospitality bed coverings and window treatments. Three production facilities strategically located across the U.S. allow Fabtex to efficiently measure, fabricate, deliver and install products for hotels worldwide. For more information, visit www.fabtex.com.
