REEDS | BONE OCEAN MIST

NEXUS | REEDS

There is nothing quite as primal in natural plant ecology as the flowering reeds and cattail, also known as bulrush. This pattern is synonymous with wetlands the world over. Nexus Reeds presents the narrow leaf shoots in bone over a layered background of nature's complementary colors.

REEDS | ANTHRACITE RISING SUN

NEXUS | REEDS

Reeds in rich dusky tones of mocha chocolate, mineral and ocean mist create a cozier wintery mood with layered backgrounds. This pattern, like the entire Nexus series, is a horizontal design dream. All bolts are 118 inches wide for a seamless presentation.
