COURTYARD® BY MARRIOTT — Window Treatments

Inspired Classic (New Build)

Lobby

Standard Guestroom

Ceiling mounted sheer drapery and ceiling mounted blackout drapery — both one-way draw, ripplefold at 100% fullness for new build guestrooms. Renovation guestrooms use pinch pleat drapery with sheer drapery at 250% fullness and blackout drapery at 200% fullness.

Scheme(s)
Inspired Classic:
Blackout Drapery Pattern 1 - Albus/Cust. Cement
Blackout Drapery Pattern 2 - Nox/Light Grey
Sheer Drapery Pattern 1 - Porter T/Cust. Ink
Sheer Drapery Pattern 2 - Norton/Navy

Accessible Guestroom

Motorized hardware to be used when necessary for new build guestrooms and renovation guestrooms.

- -

Public Spaces

Sheer drapery to be used in the lobby, meeting room, and board room while sheer shades are to be used in most other public spaces (lounge, office, storage, etc).

Fabric Options:
Sheer Drapery Pattern - Ranco/Cust. Cream
Sheer Shade Pattern - Crosshatch/White
