

Spring Scheme

Lobby & Corridor

## Standard Guestroom

Traversing center-draw, knife-pleated drapery with clear drapery wand and 4" overlap when closed. With (1) laminate cornice, (2) operable blackout panels, and (2) operable sheer panels. Blackout installed closest to the window, sheer installed closest to the room. Dual-track, ceiling-mounted. Wall-mounted if room height is over 108".

Scheme(s)

Spring:

Blackout Drapery - 4P Dreamy/Custom Linen B

Sheer Drapery - Brochet Sheer/Ivory

Cornice - Wilsonart/Standard White. TFL to match D427-60

Fall: TBA

## Accessible Guestroom

Same as standard guestroom, but replace drapery wand with:

Manual - Use clear drapery wand with a minimum 4" loop.

Motorized - Hardwired or battery-operated to be controlled by wall switch.

## Public Spaces
