

Drapery Track

All drapery tracking systems are not alike. There is always one that would best suit your project's design requirements and performance expectations.

We offer 4 types of systems:

	Wall Mount	Ceiling Mount	Draws	Pleat
 <p>5000 Series</p>	Yes	Yes	Baton or hand	For cubicle curtains
 <p>8100 Series</p>	Yes	Yes	Cord	Pinch, Accordia, Ripplefold
 <p>8300 Series</p>	Yes	Yes	Baton or hand	Pinch, Accordia, Ripplefold
 <p>8400 Series</p>	No	Yes	Baton or hand	Pinch, Accordia, Ripplefold

**Standard finish: white or clear-anodized (brushed aluminum). The tools and materials that are required to install drapery track will vary depending upon the ceiling type. Fabtex does not provide the fasteners or the tools that are required to install drapery track. Fabtex does not assume liability on any installation method. The techniques listed here are merely industry recommendations.*
